

We provide a sustainable school environment, scholarships and talent enhancement programmes to students from government and government-aided schools.

### School Rejuvenation

From building better washrooms to kitchen gardens, the physical environment of the school is enhanced.

### The Dream Project

A synergetic programme that blends conviction and creativity to foster the dreams of future generations.

### AVSAR -Scholarships

Giving children the financial support and opportunity to pursue their passions.

## About Us

Akshaya Patra's commitment to service and excellence made us take the next step: to design programmes that create a sustainable environment in Government and aided schools, and mentorship initiatives that nurture children's interests. With quality and commitment as its guiding principles, National Endeavour for Student Transformation (NEST) was launched in the year 2018.

NEST – an initiative by Akshaya Patra, contributes to quality education and learning experiences in Government schools. We build solution-based infrastructure in schools, provide mentorships to students to pursue talents, and also offer them scholarships to pursue higher education.

### The Dream Project

Beneficiaries Impacted

4620

### AVSAR -Scholarships

Beneficiaries Impacted

6000

## What have we done so far

Our initiatives have positively impacted the lives of thousands of beneficiaries since the programme was conceived in 2017. From programmes like Just Robotics to space education and music, we have partnered with leading organisations to provide holistic education opportunities to our students.

As of 2019, The Dream Project has helped 1600 beneficiaries unearth their hidden potential through creative partnerships with mentors from the Society of Space Education, Subramanian Academy of Performing Arts and Furtados School of Music.

The School Rejuvenation Programme has successfully completed interventions related to the physical accentuation of three schools in the city of Bengaluru in Ravindranagar, Medarahalli and Kanithi. AVSAR scholarships have been disbursed to 95,31,271 students till date.

### SDG - 3

#### Good Health and Wellbeing

Ensuring that schools are equipped to facilitate the physical and mental wellbeing of its students.
